Terms of Service

Before participating in this affiliate program, you must read the following terms of service and click "I Agree" to the Terms and Conditions section on our Affiliate Program Application Form.

Affiliate Program Terms

These are the terms and conditions for joining our Affiliate Program. The terms of this agreement are subject to change without prior notice, but we make every effort to notify you of such changes in advance.

1. Applying for our Program

You are applying for our Affiliate Program right now. We reserve the right to decline or remove enrolment from our program at our discretion. As soon as your application is accepted, you can start sharing your affiliate link and earning affiliate commissions.

2. Affiliate Commissions

Your affiliate dashboard is unique to you. It contains everything you'll need to promote our site and our products, including:

- Your affiliate link,
- One-click sharing to social media,
- Banner ads,
- And more sharing resources.

You can also access your affiliate dashboard by simply logging into your ELITE profile online, and then on the internet browser bar type in <https://www.eliteesthetics.co.za/affiliate-dashboard>.

You will find your affiliate link on your dashboard. Copy this and share it with all your contacts and social media pages. As you send traffic to our website via your affiliate link, you will receive credit for each unique visitor, opt-in (email address) and purchase you send our way. Your progress for each category of referral will be reflected in real-time on your affiliate dashboard.

Each link provided by Sample has an Affiliate ID attached. We can't track your sales and traffic without you posting the full URL, so please be sure to use your affiliate link. Our social sharing shortcuts have your affiliate link embedded in their posts.

When a prospect visits our site from your affiliate link, it will automatically register their purchase (if/when they make one), and credit the commission on the sale to you.

As your referrals generate sales, you will earn affiliate commissions. Please contact our affiliate manager for the most up-to-date commission percentages.

Commission checks are issued once a month 40 days after the sale. This is to ensure that the customer doesn't return the product. We can pay you via PayPal or manual EFT to your bank account, whichever you prefer. You can also make use of your credit to purchase your own products.

3. Restrictions

Marketing material is made available by way of your personal dashboard and you are expected to make use of only the provided marketing material with the company's logos and branding. Link generation is provided for you on your personal dashboard for ease of promoting products, campaigns and sections of the Elite Esthetics website.

4. Disclosures

The Department of Trade Industry and Commission (DTIC) has endorsement rules in place for affiliate marketing. In short, they want you to disclose that you have a business relationship with us when you promote and post your link. .

5. Terminations

We can end this relationship at any time, and so can you. This affiliate agreement has been designed to ensure the highest quality relationship between us. Hopefully we have demonstrated our obligations for you to become a highly prosperous Affiliate.

By clicking & accepting our Terms of Service on your Affiliate Application Form, you are agreeing to the terms set forth in our Affiliate Program Agreement.
